Com. Dembowski reports in the telegram no. 71 on 16 this month:

Your 1356.

The Chairman of the CC of the CDL, Fei Xiaotong, invites T.W. Młyńczak and his wife to visit China in late April this year.

Since the current session of the NPC is expected to end around April 15-16, he proposes April 19-26 for the stay.

The hosts request that a draft agenda for the talks be provided as soon as possible, as well as the composition of the delegation along with the information about the members' positions and genders and the locations they wish to see.

Considering CDL's local chapters and places of interest we suggest the following route: Beijing, Xian, Canton and Shenzhen. The invitation by captain's mail [\[1\]](#) on 23 this month.

A recent, basic report on the CDL by courier on 26 this month.
