"Telegram from an official in the Albanian embassy in Beijing Lilo Zeneli to the Ministry of Foreign Affairs of Albania", June 6, 1961, Wilson Center Digital Archive, AMPJSh V. 1961 D. 422, p. 32 <https://digitalarchive.umd.edu/document/110168>

Summary:

Zeneli writes about his meeting with the 2nd Secretary in the Cuban embassy in Beijing who asked Zeneli about his opinion on the conference of non-aligned countries in Belgrade. Zeneli answered that the Albanian government greets any initiative which aims to help the struggle against imperialism and colonialism with the objective of establishing peace. He also declared that Yugoslavia is not a non-aligned state because it participated in the Balkan military pact with Greece and Turkey, both of which are members of NATO. The 2nd Secretary of Cuba expressed his hope that there will be positive results during the conference that would lessen the international tensions between the two blocs.
