This is the most important part of the reply.

Mao Zedong spoke more sharply. He is against any participation in the mediation, against any kind of participation by the CCP in the negotiations.

The Guomindang will agree to any conditions now, but this must not be allowed.

About Moscow.

Judging from everything, if Mao Zedong in the nearest future, no later than the end of January is not able to go, the, probably he will not be able to go at all.

Shi Zhe spoke directly about this.
