When I left Yugoslavia, a part of the illegal organization continued to exist, with discontinued connections.

I was given the duty to make possible the connection of those in the country [Yugoslavia] on the occasion of leaving Romania. I gave this part of the organization to comrade Milosh Jovich, student in the fourth year of the Economics department [of the University of Belgrade]. He can be found in his dwelling in the street Musharska, no. 2.- The code for him is that the comrade who comes to him must say that he is called Vuio Kosovats, and that he is sent by Zoran [Mitrovich] - "Mali"/the small one/. He keeps the connection /with the help of comrades Radonia Vuiosevich and Vola Koiovich/ with more groups through the following comrades: group I - through Bora Dinich "Chiavchet", the member of the organizing section of the Central Committee of the Popular Youth of Serbia, through whom there are connected 5 comrades from the [Political] Bureau of the C. C. of the P. F. [Popular Front] from Serbia.

Group II - Through Baneta Stefanovich "Tsailats", fighter [with Tito's guerrillas] since 1941 - who works in Yugoslavia's ministry of the railways.

Group III - Through Pavich Mihailovich, employee at the section of internal affairs in Belgrade, through which some officers from the army, a professor of the agricultural college, from Zemun [a city across the Sava from Belgrade], etc., etc. [are connected to the anti-Titoist network.]

Group IV.- has connections with the Economics department [at the University of Belgrade].

Group V.- At the Politechnical School - through com. Voia [or Voio] Koiovich-"Chichia" .-

Group VI.- In the Sports Federation for Physical Culture from Serbia.

Group VII.- In the county Committee of the Popular Youth from Nish, through com. Bora Dinich.

If com. Milosh Jovich is discovered [by the Titoist authorities], or if he is not in Belgrade, the groups can keep contact in the following manner - Group I-II-VI and VII, through com. Bora Dinich - Chiavchet [or Chiavche] - member in the organizing section of the Central Committee of the Popular Youth from Serbia/Str[reet] of the International Brigades [in the Spanish Civil War]/ and to tell [him] that he/ the one who comes to him/ is com. Stoian and is sent by com. Zoran Mitrovich "Mali".

Group III, through [its leader] com. Pavich Mihailovich, who lives in the street Kumanovska, no. 13, on the fourth floor, the only apartment on the 4th floor, and he must be told that the one who is going to come to him is com. Milovan, and that he is sent by com. "Mali" - Zoran Mitrovich.-

Group IV.- through com. Voia Koiovich - "Chichea".

Group V. [sic] who lives in the street Beogradska, no. 4, on the 4th floor, in the apartment no. 7, and to tell him that he has been sent by com. Zoran.-

The organization from the law department can be contacted through com. Radmila Boscovich - student of law, who works as director of the cadres of the Electrical Engineering department from the Politechnical School/ the Boulevard of the Red Army/- At her phone number 42,814, extension 83, [the person should] identify

himself as Com. Ilija, and should arrange a meeting. Or [he] should try to find her in the department, and tell her that he has been sent by Zoran Mitrovich.

One must make contact also with com. Dragan Galian, deputy general manager /for personnel/ of the enterprise "Ingostampa". His phone number is 50233/direct line/. [The contact person] should identify himself as com. Milovan, and tell him that there are greetings from com. "Mali" Zoran. After he has told the other person his real name, [he] must be called afterwards "Plavi".
