Question of Cuba.

170 - SATURDAY - 100hr - Responding to your telegram no 347. I confirm my telegram no 169 on what gestures can be made next to that government in order to paralyze [halt] the construction of the bases. It would be appropriate for Cuba to permit, at the choice of the Cuban government, a small commission of the United Nations to certify the paralization and dismantling of the bases that the commission judges necessary to dismantle. I reaffirm our full support to obtain guarantees for the territorial integrity of Cuba.
