**Email, ITAIN Division Reports to Joint Atomic Energy
Intelligence Committee, CTB, Nuke, 'Indian Nuclear
Update'**

Citation:

"Email, ITAIN Division Reports to Joint Atomic Energy Intelligence Committee, CTB, Nuke, 'Indian Nuclear Update'", December 12, 1995, Wilson Center Digital Archive, Mandatory Declassification Review (MDR) Request to the U.S. Department of State, Case No. M-2009-00895, Released 8/15/2012. Contributed by William Burr, National Security Archive. <https://digitalarchive.umd.edu/document/116340>

Summary:

Email from ITAIN Division to Reports to the Joint Atomic Energy Intelligence Committee regarding the state of India's nuclear reactors. Directed to the Joint Atomic Energy Intelligence Committee, the message provides a glimmer of the intelligence watch over the Indian nuclear test site. At least two sites were under observation, one where the mysterious cables had been rearranged, and the other where there was much "personnel activity." The meaning of the acronym "ITAIN" is presently unknown.
