Dear Margot and Magnus,

Thank you for your letter.

We know how busy you are having the responsibility of safe and secure future for the South Africa and to fight at the same time in elections for your political views.

I do not know how it is with the South Africaners but we use to say that many times it is more complicated to fight the internal wars between ourselves.

We wish you success, to enjoy your achievements and the best to your family. Happy Easter.

We hope to visit in May and want to thank you for your kind invitation.

With best regards,

Y. Effrat
Managing Director
