The message was transmitted through Kardelj.

Cde. Tito is at Brioni. Kardelj reported that Tito is prepared to meet with Cdes. Khrushchev and Malenkov on 1 November. However, because the doctors have forbidden him to leave his current premises in view of his illness, Tito requests that our delegation, if possible, come to Brioni.

As Kardelj further said, it would be desirable if the aircraft carrying the delegation arrived at the airport in Pula at roughly 5:00 p.m. Belgrade time so they can leave from the airport for Brioni with the approach of darkness.

Instructions about the flight path and the landing in Pula will be given in due course.

Kardelj requested that we let him know the time of departure for the aircraft and the time of arrival in Pula.
