4. Czernyszew nie dostał instrukcji mówienia od razu o kredytach, raczej zalecono przeciągać. Posłanie tow. Chruszczowa do Goularta jakie wręczyl dotyczy ogólnych problemów współpracy.

5. Na otwarciu wystawy gospodarczej ZSRR w Rio w maju przewidują przyjazd tow. Kosygina lub Patoliczewa.

6. Wizyta brazylijskiego tymczasowego szefa placówki u tow. Chruszczowa nastąpiła na jego prośbę, przede wszystkim by przeprosić za incydent w Rio. Żadnych szczegółowych spraw nie dyskutowano. Poza tym strona ZSRR potraktowała wizytę jako gest za oficjalne przyjęcie Adżubeja z małżonką.

Ciphergram No. 2705

From: Rio de Janeiro dispatched on 02.26.1962 at 17:00 and received on 02.27.1962 at 7:0

Came to the Decoding Department on 02.27.1962 at 7:00

To: [Foreign Ministry Director Aleksander] KRAJEWSKI

From: [Ambassador Wojciech] CHABASINSKI^[1] [Soviet Ambassador [Ilya Semenovich] Chernyshev^[2] paid me a visit the day after his return. He asked me to provide him with information and advice regarding the situation in Brazil.

[He received instructions to act with special caution so he would not cause any difficulties from the very beginning by being overly active.

[At the personal request of [President João Belchior Marques] Goulart [which he expressed] in his conversation with [Alexei Ivanovich] Adzhubei,^[3] Moscow ordered the [Soviet] ambassador [to Brazil] to make himself comfortable in the new capital [Brasilia] definitively and as soon as possible. The federal government [of Brazil] is concerned about further provocations in Rio.

[Ambassador] Chernyshev did not receive any instructions to talk immediately about any [economic] credits, but instead he was ordered to continue to postpone the matter. Comrade [Nikita] Khrushchev's message to [President] Goulart, which was handed to him by Chernyshev, dealt with general issues of bilateral cooperation.

[They are expecting the arrival of comrades [First Deputy Premier Alexei Nikolayevich] Kosygin or [Minister of Foreign Trade Nikolai Semyonovich] Patolichev in May for the opening of the Soviet Union's economic exhibit in Rio de Janeiro.

[The visit of the chief of the temporary Brazilian post [in Moscow], that took place [during his meeting] at Khrushchev's, occurred at his request mostly in order to apologize for the incident in Rio. They have not discussed any other concrete matters. Besides, the Soviet side treated the visit as a gesture reciprocating the official visit of Adzhubei and his wife.
