Number 93/ The communists are continuing to try to find an atmosphere of hate for Syria in Lebanon and to expose the injustices committed toward communists in custody and the Syrian government's practices.

I learned that a publication is being put together by the Syrian communists, signed by the (National Committee for the Defense of Personal Freedom and National Politics) to be broadcast in Syria for the purpose of exposing the truth of the miserable situation of injustice and tyranny in that country. This publication will be distributed today or tomorrow.
