His Excellency

Dear Mr. President:

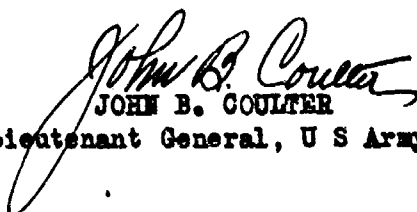

I regret exceedingly that I misunderstood you about the letter reference damaged tanks. I thought you said you had sent me a letter on the subject and I have been awaiting its receipt.

In the meantime, however, I brought the matter to the attention of EUSAK headquarters and they are now looking into it.

I am forwarding your letter and hope to have the information for you at an early date.

Accept, Mr. President, the renewal of my highest consideration.

Yours respectfully,
