The Honorable, Dr. Syngman Rhee
President Republic of Korea
Seoul, Korea

Dear Dr. Rhee:

This is to acknowledge receipt of your letter of November 26th and to advise that I phoned Phillips Associates and Michael Leonard Company of Chicago.

They assured me that there would be no charge for the 250,000 pounds of seed corn which they propose to furnish to the Korean Government. Their only request was, that they wanted the assurance from the Korean Government that the seed would be equitably distributed. I suggest that the Department of Agriculture write me a letter giving me the assurance that the seed will be widely distributed under the supervision or direction of the Department of Agriculture, which I will forward to them.

Yours truly,

J. W. Stagers
